

Cluster 28 Transition Committee

A Common Bulletin for the Cluster

One of the things that has emerged in our meetings with Pastoral Councils and the School Board is the desire to move right away towards a common Sunday bulletin for the Cluster rather than wait until the formal inauguration of the Cluster next summer. Thus we have begun to plan accordingly: speaking with our publisher and advertisers, assessing the logistics of how we will gather and integrate the pertinent information, and planning the way such a common bulletin might be formatted so as to be readable and useful. One addition to this common bulletin would be a section dedicated to news and announcements from St. Brigid School. We hope to be able to make this change over the next few months.

In the meantime, did you know that you can already access the bulletins and calendars of all the parishes at either of the parish websites; www.sjoseph.org and www.stpius-stpatrick.org? The school website is www.sbrigids.org. Linked to all these websites are the communications of the Cluster 28 Transition Committee, if you wish to review what we have been saying to you thus far. We are also already working to build a common website for the Cluster which we will begin to phase in during the coming months.

As always, we pledge to communicate with you in a regular and transparent manner about our planning. If at any time you have input you wish to share, please feel free to speak with one of the committee members – you can call your parish or school office for contact information. Please continue to keep us and this process in your prayers.

Please join us this Sunday at 2pm at St. Pius X Church for a town hall meeting about adjustments we need to make to the Mass schedule next summer.
